Docket No. 98N-1265
Food and Drug Administration 22 15 P2:05
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Proper HRT for me (71 years old)
is necessary for my health and well
being. I can get the proper estrogen
from local pharmacies, but natural
progesterone is not available except
through The Madison Pharmacy Ass'n Inc.
the synthetic progesterone (Provera) does not
work for me. Please don't limit my
access to pharmacies which specialize
in women's health. Thank you.
